How to Use These Materials

For Your Writing Process:

1. **Reference PDFs directly** - Use `sources/pdf/` for authoritative citations
2. **Quote from markdown files** - Easy to copy/paste from `sources/article/`
3. **Search across all content** - Use grep or your editor's search:

```
grep -r "clearing house" sources/
```

bash

Quick Access Commands:

```
# View all PDFs
ls -la sources/pdf/*.pdf

# Search markdown content
grep -l "BBNJ" sources/*/*.md

# Open specific document
open sources/pdf/[filename].pdf
```

bas

Remaining Work

URLs Not Downloaded (195)

Common reasons:

- Paywalled academic content
- JavaScript-heavy sites requiring browser automation
- Temporary server issues or rate limiting
- URLs with text fragments (`#:~:text=`)

To retrieve these manually:

1. Check your institutional access for academic papers
2. Use browser developer tools to save rendered content
3. Contact authors directly for preprints
